ten powerful phrases for positive people The phrase wansui (è•-æ-²; literally "ten thousand years") was once used casually to wish a person long life. The term's use was probably coined during Han dynasty. In 110 BC, Emperor Wu of Han was addressed by the phrase "Wansui" on Mount Song. According to legend, Mount Song itself called out the phrase to address the emperor.

ten powerful phrases for positive people Discourse analysis offers a powerful toolbox for analysing political communication, but it also has its pitfalls. Aside from being very work-intensive, the idea that you only need to follow a certain number of steps to get your results can be misleading. A methodology is always only as good as your question. If your question does not lend itself to this sort of analysis, or if many of the steps I ...
