ten practical tips for business economic reporting in developing economies Negative emotions like fear, sadness, and anger are a basic part of life and sometimes we struggle with how to deal with them effectively. It can be tempting to act on what you're feeling right away, but that often doesn't fix the situation that caused the emotions. In fact, it may lead to more problems to deal with down the road. Some of the harmful ways that people deal

ten practical tips for business economic reporting in developing economies What do you want to be when you grow up?. When I was about 8 years old, I wanted to be a detective, just like Nancy Drew! I wanted to gather clues, figure out who dunnit, and catch the crook using a clever plan! Of course, reading my About page, you'll see that I've always had maths related jobs, but have only used detective skills in one way; in figuring out which of my four children ...
